Animals Survive

**By the Students, Paul Jarman, Peter Jacob & Steve Schultz
January 2007**

**Traralgon South has lots of animals,
They live in a burrow, bush or a tree.
Eating and drinking, hunting and sleeping,
This is their life, it's how they survive.**

**The paradise we live in is a beautiful place to be.
With the animals around us, it's a place we can share.**

**Kookaburra laughing
Kangaroo jumping
Koala munching
Dingo howling
Platypus swimming
Possum swinging
Emu running
Wombat digging
Goanna climbing
Echidna squeaking
Lyre bird singing
Magpie calling**
